

ICOE–OEE 2022 PHOTOGRAPHY COMPETITION

Terms and conditions

A photography competition will take place in the framework of the ICOE-OEE 2022 event. The competition aims to collect photographs related to the ocean and ocean energy technology.

All people of legal age can participate in this competition, provided that they comply with the following terms and conditions.

Two categories are established:

- Showcasing ocean energy technology** – images that include ocean energy technology (converters, test-sites, auxiliary systems, etc.).
- The marine environment** – images connected to the sea and the marine environment.

In both categories, it should be indicated where the photograph has been taken.

Requirements

- ✓ The images must be original and property of the author or company who submits them to the competition.
- ✓ The images must be in color and digital manipulation of these is not admitted.
- ✓ Images must be presented in digital format and with HQ resolution (at least 300 dpi).
- ✓ Each participant may submit up to a maximum of three photographs in each category.

Form of presentation

All the images must be presented in digital format and sent to info@icoeooo2022donostia.org

The subject of the e-mail must be **ICOE-OEE photography competition - #Name of the author**. In the e-mail, the following information must be included:

- Title of the photo
- Photograph number (in case more than one is submitted) and the category or categories chosen.
- Name and surname of the author
- Company (please attach company logo)
- Position

By participating in this competition, the author of the photographs authorizes the exhibition and publication of the same in all communication and visual material related to the event.

The submitted images will be used for marketing purposes, to promote the event both online and onsite. The organizers will always cite the author's name, surname, and company (if applicable) with its corresponding logo highly visible.

The submission deadline is **September 9, 2022, at 11:59 pm CEST.**

Jury and selection of finalists.

The jury will be designated by the organizers of the event.

The jury will select 10 finalist photographs by **September 16**, five images for each category. This decision will be published on the official web page of the event and disseminated through the event's social media channels. The finalists will also be informed by written communication.

From the 16th of September, the 10 photographs will be uploaded at www.icoeooo2022donostia.org and an online voting system will be established.

Additionally, these images will be displayed during the three days of the event on the Kursaal.

The voting will close on October 20 (the last day of the event). After counting the votes, two winners will be chosen, one per category.

Awards

The winners will be announced on the 20th of October during the ICOE-OEE 2022 closing session, and each will receive a **high-quality waterproof camera.**
